

TERMINAL DISCLAIMER

Submitted concurrently herewith are Terminal Disclaimers in compliance with 37 CFR 1.321(c) in relation to Patent Nos. 6,642,782 and 6,414,543.

REMARKS/ARGUMENTS

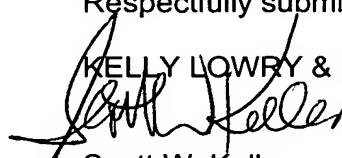

This application has been carefully reviewed in view of the Office Action dated January 10, 2005. The Office Action indicated that the application would be in condition for allowance provided a minor amendment to the disclosure was inserted, six minor informalities in the claims were addressed, and terminal disclaimers were submitted relative to U.S. Patent Nos. 6,642,782 and 6,414,543.

In response, the paragraph beginning at Page 1, line 3 of the disclosure has been amended as required, as well as Claims 1, 6, 8 , 11, 12 and 39. Further, Terminal Disclaimers have been submitted in order to obviate the obviousness-type double patenting rejections.

In view of the foregoing, it is submitted that each of the pending Claims 1-43 is now in condition for allowance, notice of which is respectfully requested.

Respectfully submitted,

KELLY LOWRY & KELLEY, LLP
